# Health iPASS

A **SPHERE** COMPANY

The Easiest Way For Patients to Check-in

Utilizing Express Check-in, patients can update demographics, verify/update eligibility, complete forms & collect payments

Health iPASS Express Check-in streamlines the intake process for both patients and staff. Our innovative user interface allows patients to complete the check in process at their convenience.
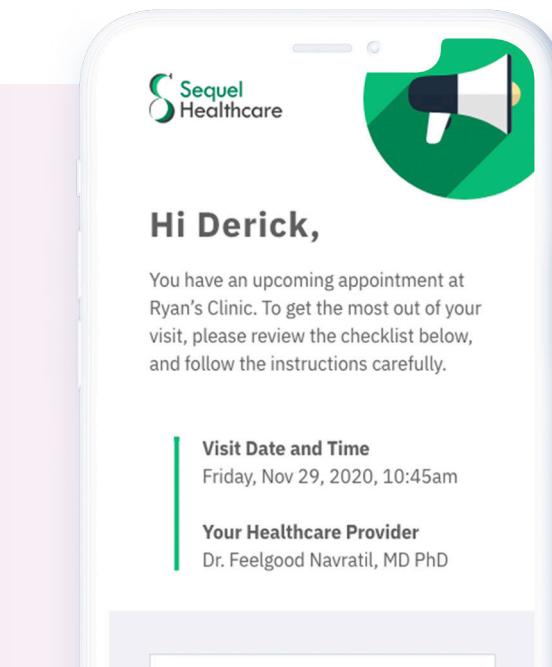

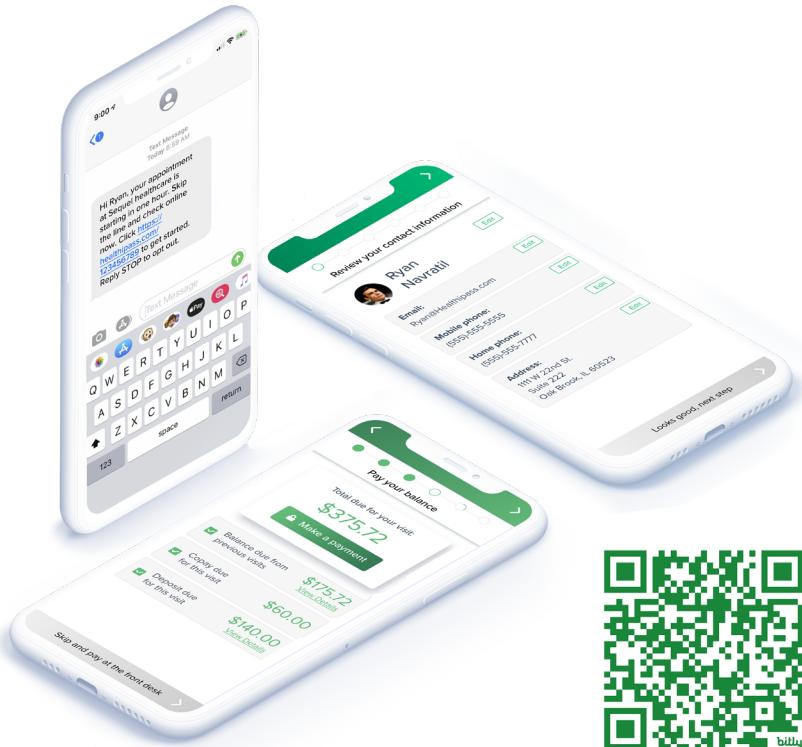

Discover the Benefits

▶ Real time API integration with practice management systems verifies accuracy & avoids data entry errors

▶ Increase practice revenue with pre arrival payment collection & integrated merchant processing

▶ Collect forms electronically to reduce front office paperwork

▶ No patient username, password or login required
